### **About the Event**

The Fun Run is a Sunset Primary tradition and one of the the most fun-filled days of the year! All of the kids begin practicing for the Fun Run during regular PE/Wellness classes. On event day, each grade gathers together to run or walk laps for 20 minutes. They are supported by many parents, teachers, school volunteers, fun music and each other. A few weeks prior to the event, students are given pledge sheets for donations from family, friends, neighbors, etc. ALL of the money raised goes directly to the learning enrichment of our kids.

### **About our School**

Sunset Primary School is nestled in West Linn's Sunset Neighborhood. Sunset has a rich history of providing opportunities and support for children's learning and welcoming children and families to meaningful and fun learning programs and activities. One of the oldest public schools in the state of Oregon, Sunset is one of nine excellent elementary schools in the West Linn-Wilsonville School District; at Sunset you will find deep valuing of relationships and all people, of thinking and learning, and of thoughtfulness.

### **Supporting Our Students**

This year our Fun Run goal is to raise \$16,000. With the amazing support of our Fun Run Sponsors we have been able to meet and surpass this goal in past years! That money goes directly to Sunset for materials and activities for our awesome students and staff. In recent years the money raised has been used to create a leveled library for teachers to use with their students in the classroom, fund an artist in residence, add outdoor tables outside of our library, and purchase new technology that can be used in the classrooms and for enrichment classes. We will be working closely with Dr. Wilson, our principal, and the rest of staff to determine the best use the money raised this year from the Fun Run to continue to provide enrichment and support for the Sunset students.
